

Municipal Stream - Community Transportation (CT) Grant Program

The Ontario Ministry of Transportation wants to remind people that the deadline for applying to the Municipal Stream of their Community Transportation (CT) Grant Program is just more than two weeks away - February 28, 2018 at 5pm (EST).

The new CT Program provides up to \$30 million to fund local and intercommunity transportation projects in the province, which is 10 times the funding provided by the previous pilot program. The ministry has more resources to fund more projects, and encourages interested municipalities and their partner organizations to apply.
